A Royal Flush

Air Conditioned & Heated Mobile Restrooms

A Royal Flush is an air-conditioned full sized luxury mobile restroom that will graciously accommodate your most discriminating guest at your next special event. Whether it is a wedding, a private party or your corporate function, *A Royal Flush* will provide you with the finest portable restroom facility.

The durable attractive portable restrooms are equipped with thick exteriors. The floors, walls and roofs are thoroughly insulated so the air-conditioned and heated

interiors always remain comfortable. The unit is designed to accommodate all your guests with eight individual compartments to provide complete privacy. They are equipped with fresh water flush toilets plus dual vanities with lavatories, mirrors and diaper changing station.

Separate doors for entries and exits helps *A Royal Flush* meet the needs of 150 women and 300 men per hour. The floors are non-skid with attractive walls and ceilings consisting of seamless reinforced fiberglass.

A Royal Flush has few set up requirements: a fresh water hook-up and two 110 outlets on separate 20 amp circuits.

So why not invite us to your next event. Please give us a call so we may provide an attractive, clean restroom facility.

Your Guests Will Be Very Impressed...and Grateful!
